### iPhone

## Connect to a Wi-Fi network

From your Home screen, go to Settings > Wi-Fi.

Turn on Wi-Fi. Your device will automatically search for available Wi-Fi networks.

Tap the name of the Wi-Fi network that you want to join. Before you can join the network, you may be asked to enter the network's password or [agree to terms and conditions](#).

After you've joined the network, you'll see a blue tick ✓ next to the network and the connected Wi-Fi icon  in the top right-hand corner of your display. If you [don't know the password to the Wi-Fi network](#), contact your network administrator.

### Android

Turn on & connect

1. Open your device's Settings app.
2. Tap Network & internet > Internet.
3. Tap a listed network. Networks that require a password have a Lock .

**Tip:** After you connect, the network is "Saved." When your phone is near and Wi-Fi is on, your phone automatically connects to this network.
