Setting up a Desk

Jack Yumulu - 2023-01-17 - Comments (0) - Desk Setup

Setting up a Desk

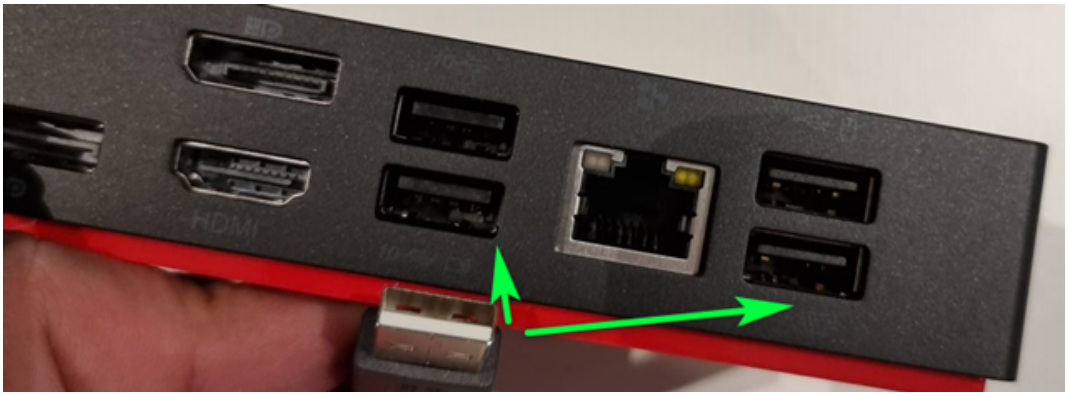
The below How-To guide will be showing you how to set up a desk at home, please note for this example I have used our most popular setup. (Which is a Lenovo Laptop and Dock)

Step 1: Firstly, unbox everything

Step 2: Connecting USB-C Cable to Lenovo Dock:

Step 3: Plug in the power cable for the Lenovo dock:

Step 4: Plug in the USB cables to the Lenovo dock (etc Keyboard and Mouse):



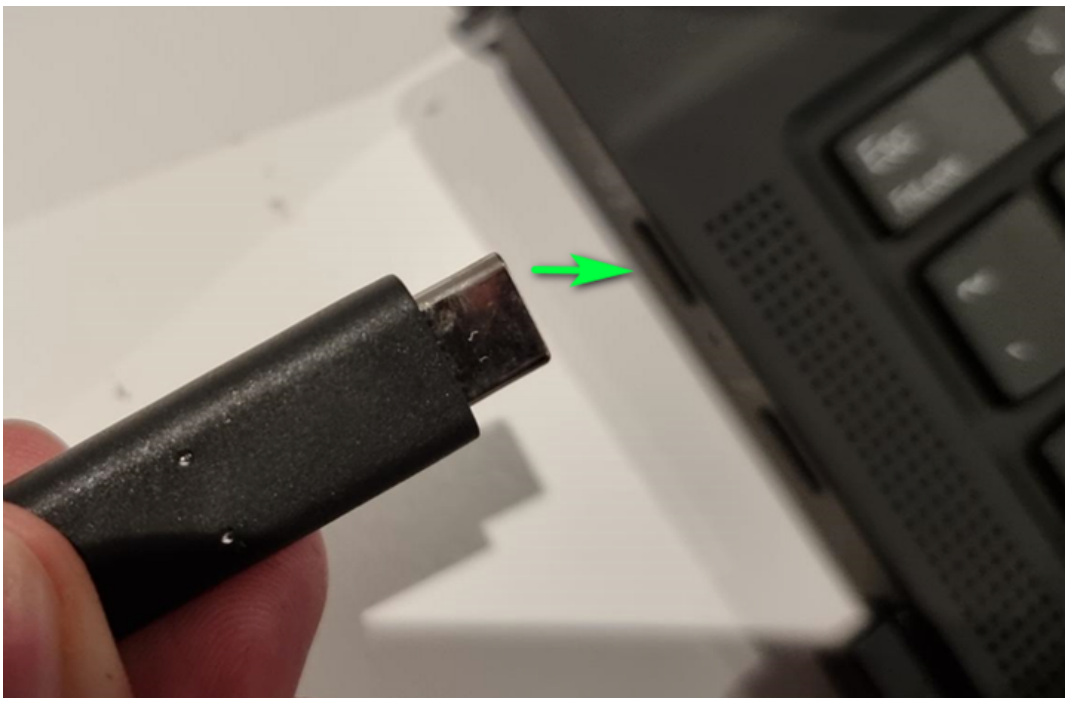
Step 5: Plug in the HDMI cable into the monitor

Laite on liitettävä suojakoskettimilla varustettuun pistorasiaan.
L'appareil doit être branché sur une prise de courant munie d'une mise à la terre.
The equipment must be connected to an earthed mains socket-outlet.
Apparatet må tilkoples jordet stikkontakt. Apparaten skall anslutas till jordat uttag.
Apparatets stikprop skal tilsluttes en stikkontakt med jord,
som giver forbindelse til stikproppens jord.
Avertissement : Une utilisation excessive
peut potentiellement endommager votre vue.
Warning: Excessive use might result in vision damage.
This device complies with part 15 of the FCC Rules.
peration is subject to the following two conditions:
) this device may not cause harmful interference, and
) this device must accept any interference received,
cluding interference that may cause undesired operation.
Intertek
H005-20

Step 6: Plug in the power cable into the monitor

Step 7: Plug in the HDMI cable into the Lenovo Dock from the Monitor

Step 8: Connect your laptop to the USB-C cable from the dock



Step 9: TA DA you are all done! (Should look something like this!)

If you require assistance please contact the I.T Team, either through the intranet (https://helpdesk.sen.com.au) or by emailing SEN Helpdesk (helpdesk@sen.com.au).
